BROMIC[®]
REFRIGERATION

QUALITY MATTERS

QUALITY MATTERS™

Since 1999 Bromic Refrigeration has supplied quality, reliable products, engineered specific to task and refined to meet individual customer requirements.

Today Bromic is a leading supplier of commercial refrigeration equipment. Our fully tested and compliant range is available via our vast dealer network and is backed by our market leading **Extra Care** warranty response times.

Smart & Stylish FOOD DISPLAYS

Cold Food Displays

Bromic's Cold Food Displays offer a stylish, purpose-built display solution for refrigerated delicacies such as cheese, cakes and confectionery.

Featuring:

- Advanced clear heated glass technology on front, top and sides - that eliminate condensation, giving customers uninterrupted views
- Four tiers, with 3 fully adjustable shelves and removable glass for cleaning
- Sliding rear doors allow easy access while maintaining temperature
- Stainless steel construction, resists corrosion
- These units maintain moisture at low temperatures to ensure that products on display taste as good as they look

Options include:

- 900mm
- 1200mm
- 1500mm
- 1800mm

Hot Food Displays

Bromic's Hot Food Displays offer a stylish, purpose-built, high-humidity display solution for hot food display applications.

Featuring:

- Units include bain marie wells to increase humidity as required for full control
- Four tiers, with 3 fully adjustable shelves and removable glass for cleaning
- Sliding rear doors allow easy access while maintaining temperature
- Stainless steel construction, resists corrosion

Options include:

- 900mm
- 1200mm
- 1500mm
- 1800mm

Ambient food displays are also available from Bromic for your complete range.

Upright Storage Chillers & Freezers

Bromic's Fan-Forced Upright Storage Chillers and Freezers are packed full of premium perks to ensure perfect performance in busy cafe and restaurant applications.

This unit's corrosion-resistant outer casing is insulated on all four sides to minimise energy consumption by allowing the refrigeration system to operate efficiently only when it is needed.

- Stainless steel finish
- 5 adjustable shelves per door and stainless steel rails for use with 1/1 Gastronorm trays
- Powerful fan for even circulation of cold air
- Precise Dixell digital controller thermostat for accurate temperature control with digital display
- Lockable castor wheels make movement and placement easy
- Removable filters for ease of cleaning

Options

- Chiller or Freezer
- 1 door, 650L capacity
- 2 door, 1300L capacity

Gastronorm Stainless Steel 650L
UC0650SD - Storage Chiller
UF0650SDF - Storage Freezer

Gastronorm Stainless Steel 1300L
UC1300SD - Storage Chiller
UF1300SDF - Storage Freezer

Professional FOOD PREP

Two or Three Door Chilled Prep Counters

Bromic's Food Prep counters help improve kitchen efficiency, providing a practical food preparation space with quick access to your fresh ingredients. Ideal for Sandwich, Juice or Pizza Prep, these counters are **Australian Food Safety** compliant with dual-airflow channels to ensure consistent and even temperature of food in pans.

- Full stainless steel construction, featuring a 480mm removable cutting board
- Enclosed well under pans to stop food from spilling into cabinets
- Hinged, removable insulated lids with option to lock open
- Removable GN 1/3" pans and rails
- Chilled with blown air over and under food pans & wells with a high ambient temperature rating (43°C with lids down/32°C lids open)
- Easy to clean stainless steel internals with curved corners
- Extra wide self closing front doors
- 2 adjustable shelves per door
- Easy maintenance RHS refrigeration system

Options: 2 door unit: PP1700 & 3 door unit: PP2370

Adjustable shelves, 2 per door

Three Door Food Prep Counter
PP2370

Chest FREEZERS

Stainless Steel Top Storage Freezers

Bromic's Flat Stainless Steel Top Chest Freezers are designed to provide a durable workspace and deep-freeze storage solution all-in-one.

Suitable for storing fresh produce, such as meat or vegetables, for long periods at as low as -25°C, even with ambient temperatures as high as 35°C. These units are perfect for maximising bench space while minimising wastage.

- 296L, 492L and 675L capacity

Flat Top Stainless Steel 296L Chest Freezer
CF0300FTSS

Professional ICE MACHINES

Self Contained Ice Making

For clear, fresh ice production Bromic's self-contained ice machine range includes solid cube and hollow ice.

Solid Cube: Create large clear cubes that maximise liquid displacement while cooling quickly.

Hollow Ice: Benefit from rapid production and an increased surface area for rapid cooling and can provide a gentler option on blender blades.

These self contained units fit beneath or above counters and are available in a range of sizes to suit your demand - including the world's smallest ice machine.

Self-Contained 18kg Hollow Ice Machine
IM0018HSC-HE

Self-Contained 37kg Solid Cube Ice Machine
IM0043SSC

EXTRA CARE
WARRANTY SERVICE

PEACE OF MIND STARTS HERE WITH BROMIC
