

SMART-HEATING WARRANTY CONDITIONS

Bromic Pty Limited ('Bromic') warrants to the original purchaser ('the Purchaser') of products supplied by Bromic Heating ('the Goods') that the Goods will be free from defects and/or faults in materials and/or workmanship for Twelve (12) months from the date of Bromic invoice.

Subject to the following conditions of this Warranty, if a defect and/or fault in materials and/or workmanship are found during the warranty period, Bromic will replace or repair the Goods (at its option) without charge.

1. The Goods must have originated from Bromic and must be able to be identified by Bromic personnel as a Bromic Heating product.
2. The original invoice details, including serial number where applicable, MUST be provided to Bromic at the time that any claim is made pursuant to the terms of the Warranty.
3. Any claim made pursuant to the terms of the Warranty must be made within a reasonable time of the discovery of any potential fault or defect.
4. Acceptance of a claim under this Warranty is subject to an assessment of the Goods by Bromic, or its authorised agent, to determine the cause of the defect prior to Bromic's authorisation for repairs to be carried out.
5. Repairs to the Goods must not have been attempted by any person other than an authorised service agent. Repairs attempted by a non authorised agent will void the warranty.
6. Where Goods are located or are to be located in premises where the induction of service or installation personnel is required, any costs for such induction of service or installation agents to gain access to sites is for the account of the customer and not for Bromic.

11. Bromic's repair warranty is restricted to normal business hours on Monday to Friday and excluding public holidays and weekends.
12. Where Bromic elects to replace rather than repair the Goods and no identical replacement is available for the Goods being replaced, Bromic may replace the Goods with Goods of a similar standard and design then available from its range.
13. Bromic is not liable for the costs of the authorised service agents other than standard labour costs during normal working hours.
14. Bromic is not liable for travelling time in excess of 50 kilometres from an authorised service agent or 1 hour from the authorised service agent, whichever is the lesser.
